

It's not dull in Hull

The city of Hull is the place I like
Lots to do day and night
Visit Humber Bridge and The Deep
And watch Hull City football team

Hull FC and Hull KR
Win rugby matches near and far
We have a post box painted gold
To celebrate Luke Campbell's Olympic gold

William Wilberforce abolished the slave trade
And we're proud of our theatres, festivals and Lord Mayor's Parade

Come to Ferens, there's new art everyday
That feature artists from near and away
Larkin's toads upon the street
Hull docks deliver the fish we eat

Dundee, Leicester and Swansea Bay
Couldn't have beat Hull any day!
