20th January 2015

Dear Parent

‘Eat. Sleep. Read.’ (also called ‘Accelerated Reader’) focuses on developing students’ ability to read and has been rolled out across Years 7 & 8.

Students have taken a short test to assess their reading abilities and are being encouraged to read a variety of books, both in class and outside of school, to improve their skills and progress their reading level. We hope this scheme will help embed reading as an enjoyable part of school and home life.

As part of their involvement in ‘Eat. Sleep. Read.’, students will be asked to read at least three times per week at home, for 25 minutes per session, alongside reading time in registration and during English lessons.

Would you please sign your child’s planner each week when they have completed their reading at home.

Please read the leaflet for further information and please don’t hesitate to contact me if you have any questions.

Yours faithfully

D Hudson (Mr)
Assistant Headteacher
