The School Aims

Malet Lambert School will work with our partners to provide a safe and stimulating environment where we can all work towards our potential and be able to make significant contributions as responsible citizens in an international community.

We aim to:

- Offer a broad and balanced curriculum which meets the needs of the individual and helps them to progress.
- Promote the spiritual, moral, cultural, mental and physical development of each child.
- Enable pupils to develop a sense of self-respect and a respect for others so that they can live fulfilled lives as caring members of the community.
- Prepare pupils for the responsibilities and experiences of adulthood from family life to world citizenship.
- Develop an ethos enabling trust and confident relationships to co-exist with commitment and accountability.

** The Government's guidelines on this matter state;
'Parents do not have the right to take children on holiday in term time. Leave of absence must be granted in advance by the school'. The school will not authorise holidays taken during term time. Please note your child's attendance may be shared with other students as part of our drive to raise attendance.*
