Dear Parents and Carers,

RE: GCSE Options Process and Key Dates

Over the next 8 weeks, your child will be involved in a range of activities and events to support them in choosing which subjects they will follow through Key Stage 4 (Years 10 and 11).

We have fully reviewed our curriculum offer. The key principles, aims and values are available to view here:

This is a very important time for pupils and we are offering the following event to support you and your child as you make these curriculum choices;

Wednesday 30th November - Year 9 Options Information Evening 4:30pm–7pm

This event is crucial for all parents, carers and pupils to attend. Subject Leaders will be in attendance presenting information on the content and nature of their subject, helping you to decide if it is a subject your child wishes to pursue at Key Stage 4.

As this is a very popular event, we break the evening down in the following way:

- 4:30pm – School open for refreshments. Subject Leads, Heads of House, Colleges, Apprenticeships, Training providers and employers will be available to speak to in the forum throughout the afternoon
- 5.30pm and 6:00pm – Two presentations in the main hall available (Same presentation different time slots)
- Options Booklet and Information

Please confirm attendance via our online parents booking system ASAP:
