Significant Investment in New Toilets and Pupil Voice

As a listening school, during the Easter break, we have acted upon the pupil voice gained last term to create more toilets and give them all a refresh and upgrade. During assemblies this week, we explained how we have spent a significant amount to increase the number of toilets, paint all toilet walls, provide new locks and push plates, new hand driers and clearer signage to name but a few improvements. It has been lovely to hear this week just how appreciative and positive our pupils have been about this improvement. We have just completed another round of pupil voice for other improvements, and we will be sharing with them their collective ideas and our actions in due course.

Year 10

Work Experience

Count-Down – 2 Weeks Remaining (Tuesday 09.05.23 – Friday 12.05.23)

All forms received have now been sent to Education 2 Work for them to complete their checks on the placements.

Once the placements have been approved we will prepare the Work Experience Packs and pupils will be notified via their Tutor when they can collect them from the Admin Office.

Year 10

Telling the School and/or Telling Family Members When There Are Issues

We hope that you all had a positive Easter period.

This week in Safeguarding Corner we would just like to re-iterate one of the key messages given to pupils in assemblies during the first day back; which is all around the importance of telling the school or at least telling family members when issues arise so that we can have the very best chance of helping quickly and preventing any of the smaller issues becoming bigger issues.

We advise pupils to consider:

- Telling a trusted adult in the building, which may be their favourite teacher or their pastoral leader - whomever they feel happiest talking to
- Using the PAWs computer system which is open on school days from 8 am

- Telling a family member who can then tell the school either by phone or email or using the PAWs computer system

Often in school, when investigating an issue it almost always comes to light that the matter started with a small issue which became bigger because it was not flagged up to anybody earlier. The school will work tirelessly to support its pupils BUT we can only help somebody with something IF we have been told it is an issue. We really appreciate your help in letting us know of issues as soon as they arise.

Things to Remember

Medication: If you bring in any medication during the school day, please ensure you put it in a clearly labelled container detailing your child's name, DOB and how the medication should be taken, please also ensure that it is in its original packaging. Malet Lambert will only accept medicines that have been prescribed by a doctor, dentist, nurse prescriber or pharmacist prescriber.

Collecting Pupils from School: If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our SIMS record.

Malet Lambert Shop: If you wish to purchase a pupil planner or revision guides please remember these are available via the Malet Lambert Shop (link above) and not your individual ParentPay account. If you purchase a planner this will be passed to your child's form tutor to hand to them. Revision guide receipts are also passed to teachers for them to hand to the pupil so they can collect the guides from the relevant department/s.

Fizzy and Energy Drinks: Please be reminded that pupils are not permitted to bring Energy and fizzy drinks into school, this now also includes the new PRIME drink. Any pupils found with any types of these drinks will have them confiscated and disposed of.

Lunchtime: You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

COVID-19 Results: Please remember to inform the school of any LFT's and results of PCR tests as soon as you receive them.
