WHOLE SCHOOL INFORMATION

INTERNATIONAL WEEK AT MALET LAMBERT!

The final week of term will see Malet Lambert come alive with International Week — a celebration of the rich diversity within our school and our connections to the wider world.

Throughout the week, amongst other activities pupils can look forward to:

-  World food from the canteen each day
-  Workshops exploring faith, community and British Values
-  Punjabi cooking lessons
-  Cultural film screenings
-  Musical performances
-  Exchanges with pupils from schools abroad
-  National anthems played during lesson changeovers

Our goals are to:

Celebrate our diversity - ensuring everyone feels proud of their culture and story.

Build global connections - helping pupils grow into confident, informed global citizens.

If your child is involved in any exchange activity, we'll contact you for permission.

Keep an eye on our social media channels for daily updates, event timetables, competitions, and roundups.

The week will highlight our shared values of **tolerance, respect, generosity, and empathy** — and promises to be a vibrant end to the term!

SAFEGUARDING CORNER

MOBILE PHONES - HEALTHY USE (SFE)

The school has long since had a simple approach to mobile phones on site which is that can be brought in but need to be switched off. An escalated set of confiscations are applied on a termly basis with our full policy available on the school website.

Mobile phones are without doubt a growing essential for many with very obvious advantages and time saving benefits

However, there are equally a number of significant and well researched safeguarding concerns around mobile phones most of which can be addressed with small subtle steps by parents and carers - you are the bill payers after all, in almost every case

We are asking you to consider ;

- Whether children absolutely need to have their mobile phones in their bedrooms all night, given that this is likely to negatively impact quality and duration of sleep. Could the alarm function be achieved by something else such as an inexpensive alarm clock for example ?
- The amount of time children are spending off their phones prior to sleep time
- The different sites and group chats that children are accessing on their phones
- The extent to which the responsible adults in your child's life models sensible and healthy use of their own mobile phones

Below is a link to a short article about the impact of mobile phones on young people ;

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our Arbor record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged

appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the  [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY DRINKS AND ENERGY DRINKS/SWEETS

Please be reminded that pupils are not permitted to bring energy drinks or sweets and fizzy drinks into school. Any pupils found with any types of these drinks/sweets will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.

For full details of how pupil data is used please see our Privacy Notice here: <https://maletlambert.co.uk/privacy-notices/>

MEDICAL CONSENTS

In an effort to try and reduce the amount of paper, we ask for 'once only' medical consent which will cover your child throughout their time at Malet Lambert. If you haven't already returned a signed form, you will receive an email asking for this.

The school should have up to date medical details at all times, we wouldn't expect a parent/carer to only update us if their child is going on a visit, so with this in mind can you please ensure that you are informing us of any changes to your child's medical records immediately, this can be done in the following ways:

Change to Pupil Details Form

These can be collected from the admin office or downloaded from our website <https://maletlambert.co.uk/letters/>. Completed forms must be returned to the admin office.

Email

You can email enquiries@maletlambert.hull.sch.uk or arbor@maletlambert.hull.sch.uk - please note that the email must come from the email address we have registered for you in Arbor.

BIOMETRIC CONSENT

As a school we use biometric finger scan technology for example in the dining halls. This data is held securely and further information can be found in the TEAL Data Protection Policy. Consent can be withdrawn at any time by writing to us at enquiries@maletlambert.hull.sch.uk

FREE SCHOOL MEAL ENTITLEMENT

Families who receive certain benefits may be eligible for free school meals, regardless of the child's age. Registering for free meals could also raise additional funds for your child's school, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is known as the 'Pupil Premium Grant'.

To find out if your child is eligible the benefits team at your Local Authority can process your claim by telephone or alternatively you can complete the online form at <https://www.gov.uk/apply-free-school-meals>. If your child is eligible you will receive a confirmation letter from your Local Authority within 10 days. Upon receipt of this letter please do notify the school.

SCHOOL POLICIES

Malet Lambert School policies can be found in full on our website <https://maletlambert.co.uk/policies/>. These are adopted by the Governing Body and **must** be adhered to. Paper copies are available from the school on request.
