SAFEGUARDING CORNER

Daily Exercise Challenge for Half Term

Several times over the past few years we have spoken about the importance of some type of exercise when it comes to promoting positive mental health.

Our challenge for our pupils supported by their families and carers is to decide on a simple daily exercise challenge for each day of the half term break and to stick to it. No special equipment or fancy smart watches are required but if you have them and wish to incorporate them then by all means do so. Make the target simple and achievable and in line with your child's current needs and exercise preferences and abilities / stamina. If your child feels so inclined it would be lovely for them to talk to a member of staff about what they have done on their return. If you ever would like any support or a general discussion around supporting your child's exercise habits, then by all means get in touch with the school.

A THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our SIMS record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

If you wish to purchase a pupil planner or revision guides please remember these are available via the <u>Malet Lambert Shop</u> and not your individual ParentPay account.
