MALET LAMBERT MASTERS

We would like to hear about your child's achievements.

Our Malet Masters display celebrates our pupils' achievements outside of school. From sports, skills, endeavours and other achievements, we want to showcase the wide range of talents and accomplishments that Malet Lambert pupils have achieved.

We would love to hear of sporting successes, social initiatives, award wins or any other great stories of their hard work. If your child would like to be added to our display then please complete the form linked here: <https://forms.gle/b4XDmndEuEfSqtzy9>

If you consent to including a photo, then please forward it to marketing@maletlmabert.hull.sch.uk.

WE WOULD LOVE TO CHAT TO YOU

As a school we often do parent surveys which are a great way for us to get lots of views very quickly.

However, we want to invite you to talk to us at a time to suit you about things you believe we are doing well and to explore what we could do better for the greater school and community good.

We will have the kettle on and will be focused on listening to you about what's on your mind whether it relate to something below of something entirely different.

- How we communicate with you
- How we celebrate success
- How well do we work with local businesses
- How well we signpost local groups in the community
- How well we understand the community

- How we could help more with non-educational issues

The list is endless but the focus is on you joining us in person for a personalized chat where we will focus on listening to you. Your thoughts, opinion and feelings really do matter to us.

If you want to come and talk to us simply click below please.

SAFEGUARDING CORNER

ATTENDANCE

In safeguarding corner this week we are focusing on great school attendance as a safeguarding tool.

Whilst it may seem obvious, great school attendance enables pupils to

- Voice and share any concerns formally.
- Be educated on and practice good routines around physical and mental health.
- Learn from other children through informal chats at social times.
- Understand key topics such as Healthy Relationships through completing PSHE lessons.
- Be exposed to real life stories from organisations that deal with hard hitting topics in assemblies like "One punch" and how just one punch can change a life or even end it.
- Become more aware of different cultures to minimize the chances of developing radical views.
- Provide a safe space Monday to Friday to minimize the chances of inappropriate connections or contact whether in person or on-line. We know for example that County Lines gangs are thought to target pupils who are disengaged from education.

The list is endless but we hope you will agree that great attendance extends far beyond the pupils getting great results.

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our Arbor record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the

 [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY DRINKS AND ENERGY DRINKS/SWEETS

Please be reminded that pupils are not permitted to bring energy drinks or sweets and fizzy drinks into school. Any pupils found with any types of these drinks/sweets will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.

For full details of how pupil data is used please see our Privacy Notice here: <https://maletlambert.co.uk/privacy-notices/>

MEDICAL CONSENTS

In an effort to try and reduce the amount of paper, we ask for 'once only' medical consent which will cover your child throughout their time at Malet Lambert. If you haven't already returned a signed form, you will receive an email asking for this.

The school should have up to date medical details at all times, we wouldn't expect a parent/carer to only update us if their child is going on a visit, so with this in mind can you please ensure that you are informing us of any changes to your child's medical records immediately, this can be done in the following ways:

Change to Pupil Details Form

These can be collected from the admin office or downloaded from our website <https://maletlambert.co.uk/letters/>. Completed forms must be returned to the admin office.

Email

You can email enquiries@maletlambert.hull.sch.uk or arbor@maletlambert.hull.sch.uk - please note that the email must come from the email address we have registered for you in Arbor.

BIOMETRIC CONSENT

As a school we use biometric finger scan technology for example in the dining halls. This data is held securely and further information can be found in the TEAL Data Protection Policy. Consent can be withdrawn at any time by writing to us at enquiries@maletlambert.hull.sch.uk

FREE SCHOOL MEAL ENTITLEMENT

Families who receive certain benefits may be eligible for free school meals, regardless of the child's age. Registering for free meals could also raise additional funds for your child's school, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is known as the 'Pupil Premium Grant'.

To find out if your child is eligible the benefits team at your Local Authority can process your claim by telephone or alternatively you can complete the online form at <https://www.gov.uk/apply-free-school-meals>. If your child is eligible you will receive a confirmation letter from your Local Authority within 10 days. Upon receipt of this letter please do notify the school.

SCHOOL POLICIES

Malet Lambert School policies can be found in full on our website <https://maletlambert.co.uk/policies/>. These are adopted by the Governing Body and must be adhered to.

Paper copies are available from the school on request.
