Curriculum Overview

Dear Parents and Carers

As we enter a new half term, we're excited to share updates on what pupils will be learning over the coming weeks. Our aim is to keep you informed so you can support your child's learning at home. The section of the school website linked below gives an overview of our curriculum as well as details on what pupils in each year group will be learning from now until Christmas.

We hope you find these updates useful and look forward to another fantastic half term. Please feel free to reach out with any questions or if you need further information.

School Nurse

This year Malet Lambert is joining the NHS Universal Offer for a School Nurse. The nurse will be in school 2hrs a week and will be able to offer pupils support with the following:

- Relationships
- Smoking
- Vaping
- Drugs
- Alcohol
- Sleep
- Healthy lifestyles : diet & exercise

If pupils would like to see the nurse or parents/carers/guardians wish to arrange for their young person to see the nurse, you or your young person must text TEL: 07312 263 199. This is directly organised with the Nurse and not via school.

Children In Need Day Fri 15.11.24

Next Friday we are recognising and fundraising for Children In Need Day

All pupils are asked to attend in normal uniform but to consider wearing a temporary yellow addition such as yellow socks or a yellow hair band in honour of Pudsey Bear

We will be running a wide range of activities in the forum at lunch time where pupils can for example guess the number of sweets and win the tub. Pupils are encouraged to bring small amounts of coin cash - many activities will be 20 pence per go.

We are also planning to have some pupil singers in the forum.

All in all we are looking forward to a great day and look forward to seeing all of our pupils there.

GREAT FREE OPPORTUNITY - Online Parental Workshop – 20 November 2024 .

7pm – 8pm

Malet Lambert is totally committed to the digital safety and wellbeing of our students and are continually ensuring that our staff and pupils are fully up to date with new technology and it's safe use.

As part of this on-going work, we really excited to be able to offer a workshop specifically dedicated to helping parents understand the risks their children face in their online lives and the practical things parents can do to help.

We would like to invite you to join us for this hour-long workshop via Zoom (link below) in which Katherine Howard, Head of Engagement and Education at Smoothwall will provide you with lots of valuable insights and tools. The workshop is appropriate for parents with children of any age.

The workshop will include lots of information, hints and tips in areas such as:

- Information on the latest themes and trends your children may be accessing
- The harmful content your child may be exposed to
- How you can help your child to safely navigate online risk

· An introduction to a parental app that allows you to control what your child sees online if they are at risk, plus other important features.

Katherine is a very experienced and engaging trainer. Her sessions are very information, fun and highly recommended.

YEAR 10 INFORMATION

Work Experience

Please remember that there is a deadline of 17th March 2025 to return your completed Work Experience Self-Found Placement form. As a reminder, this is not a school deadline, it is an E2W deadline and will not be extended under any circumstances, so do not delay with organising a placement. The self-found placement form can be found here: [Letters](#)

SAFEGUARDING CORNER

Sextortion

As most parents will already know, this is the short name for 'financially motivated sexual extortion'. It can involve gaining sexually explicit pictures of an individual to then use that as leverage to gain from the person financially.

This is something that some children are certainly subjected to - often by those who groom children on-line. But it can be done in person too - and sometimes by people in a relationship with the child.

To find out more please visit the Internet Watch Foundation (IWF) website which is a great source of information on many such topics

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our SIMS record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY AND ENERGY DRINKS

Please be reminded that pupils are not permitted to bring Energy and fizzy drinks into school, this now also includes the new PRIME drink. Any pupils found with any types of these drinks will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.
