

WHOLE SCHOOL INFORMATION

Issue After School

We are aware that earlier in the week a woman in a mask was outside of the school and possibly in East Park. As far as we are aware none of our pupils were negatively affected however, we did decide as a precaution, to report this incident to the police.

Help Available for Gas and Electric

Unity in the Community will be providing vouchers between £28 and £49 to help towards paying for gas and electric. To qualify you must pay for your energy through a prepayment meter and have not received energy vouchers from Unity in Community within the past year. This is in response to the ongoing cost of living crisis and beneficiaries can be working, unemployed, self-employed or retired. For more information and to register, call 01482 420836, Monday to Friday, 9am - 2pm – if busy, please keep trying

E-Scooters

We would like to make you aware of the guidance regarding the use of e-scooters as a mode of transport to and from school. The health and safety of pupils in and around the school is of paramount importance to us and we would, therefore, like to pupils not to travel by e-scooter to or from the school. Hull is not part of the trial process for e-scooters and it is, therefore, against the law to ride a privately-owned e-scooter in any public place. This includes roads, pavements, parks, town centres and promenades.

What is an E-Scooter?

- Electrical scooters (also known as e-scooters) come under the category of “powered transporters”; this covers a range of personal transport devices which are powered by a motor.
- E-scooters are classed as motor vehicles under the Road Traffic Act 1988. Which means the rules that apply to motor vehicles, also apply to e-scooters including the need to have a licence, insurance and tax.
- It's not currently possible to get insurance for privately owned e-scooters, which means it's illegal to use them on the road or in public spaces. If you're using a private e-scooter you risk the vehicle being seized under S.165 Road Traffic Act 1988 for no insurance.
- If you cause serious harm to another person whilst riding an e-scooter the incident will be investigated in the same way it would if you were riding a motorcycle or driving a car.

We would also like to make you aware that from Monday 21 October 2024 we will not be allowing e-scooters to be stored within any area of the school. If you have any further questions, please contact us via enquiries@maletlambethull.sch.uk.

First Aid

At Malet Lambert School we are committed to providing emergency first aid cover to deal with accidents, which occur to employees, children and all categories of visitors. We have two designated first aiders that are First Aid trained, we also have all PE staff and a number of office staff, teaching assistants and premises staff that have received basic First Aid training. Additionally, some staff have had defibrillator training. If a child is ill or has an accident at school, we will contact parents if we feel it is necessary. We will always contact parents if there is an emergency concerning their child. For this reason, it is important that parents keep us up to date with daytime telephone contact numbers. Unfortunately we are seeing an increasing number of pupils visiting first aid during the day, when it's not really a first aid issue and in most cases should be dealt with at home. We have a system in place in school to avoid the need for pupils to go down to first aid, the first aid staff will now be requested to come up to the classroom and will assess the situation, this will also be prioritised in terms of severity of the first aid requirements.

YEAR 10 INFORMATION

Work Experience

Please remember that there is a deadline of 17th March 2025 to return your completed Work Experience Self-Found Placement form. As a reminder, this is not a school deadline, it is an E2W deadline and will not be extended under any circumstances, so do not delay with organising a placement. The self-found placement form can be found here: [Letters](#)

SAFEGUARDING CORNER

Sleep Matters

As parents, we all know that secondary aged children in particular "quite like" their sleep. We also know that for some children this can be problematic for all kinds of reasons. This week, we simply want to promote a discussion around the importance of quality sleep on keeping pupils safe and healthy. As adults, we know that just a small amount of poor quality sleep can lead to poor and/or unsafe decision making. In the longer term it can lead to underlying issues around physical and mental health. Below is a great link from the NHS around "sleep hygiene". Whilst it is unlikely to tell you anything you will not already know it does work well to remind and to bring all the "obvious points" into one short document.

One important way in which young people can be supported with quality sleep is by ensuring that mobile phones and tablets are stored outside of the room from an agreed time. On average teenagers will check such devices no fewer than 14 times when they should be switching off and settling down at bedtime. If the mobile device provides an alarm clock then we all know that there are other ways to achieve this including a cheap alarm clock.

Try this quick question yourself as a starter for ten and then click the link below to reveal the answer which is at the top of the article .

What is the recommended amount of sleep within a 24 hour period for a 13 to 18 year ?

A) 6 to 8 B) 8 to 9 C) 9 to 12. D) 8 to 10

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our SIMS record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will

need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY AND ENERGY DRINKS

Please be reminded that pupils are not permitted to bring Energy and fizzy drinks into school, this now also includes the new PRIME drink. Any pupils found with any types of these drinks will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.

For full details of how pupil data is used please see our Privacy Notice here:
