2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

- Holding the headteachers to account for the implementation of this policy

To support this, governors receive information about school attendance and absence rates at each local governing body meeting

5. Recording attendance

5.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 2 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.35am on each school day.

The register for the first session will be taken at 8.40am and will be kept open until time 9.10am. The register for the second session will be taken at 1.10pm and will be kept open until time 1.40pm.

5.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible by calling the school attendance officers or emailing attendance@maletlambert.hull.sch.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is

- longer than 5 days,
- or where a pupils attendance has dropped below 92%
- or there are doubts about the authenticity of the illness,

the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parent/carer will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Please note that a planned absence for medical or dental appointments whilst authorised still impact a pupil's overall attendance %.

We encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. For example, where an appointment is in the morning, only the morning session will be authorised if the pupil is absent for the full day.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

A pupil/student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U)

Parents will be notified when their child arrives late. A pupil recorded with a U code, is an unauthorised absence. This impacts their attendance.

5.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, Malet Lambert will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If we cannot reach any of the pupil's emergency contacts, we may contact police and other relevant local authority agencies where there are any concerns to the pupils whereabouts
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the education welfare officer. The education welfare officer may conduct unannounced or announced home visits.
- Where relevant, report the unexplained absence to the pupil's/student's youth offending team officer
- Where appropriate, offer support to the pupil/student and/or their parents/carers to improve attendance
- Identify whether the pupil/student needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with consider further action as detailed in section 6.2 below

5.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels. This information will be included in the formal reports which are sent to parents during the year. Where a child's attendance is causing concern the school will contact parents/carers in order to make them aware of the attendance level and offer support to improve attendance.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence. An 'Exceptional Absence Request Form' should be completed which is accessible via the schools attendance team. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Physical or mental illness and medical/dental appointments (see sections 5.2 and 5.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational

purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

6.2 Legal action to enforce school attendance

Local authorities and schools can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carer must pay the local authority £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

In line with statutory guidance ([working together to improve school attendance](#)) headteachers will decide whether it is appropriate to issue a penalty notice for any student where their attendance meets the national threshold for issuing a penalty notice

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year – arriving after the register has closed also is included as an unauthorised absence
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

As stated at the start of this policy, The Education Alliance Board of Trustees is committed to building strong relationships with families to ensure pupils have the support in place to attend school. With this in mind, they have agreed that headteachers will not issue penalty notices where they are of the view that:

- The parent/carer is working proactively with the school to improve their child's attendance
- Issuing a fine would be counterproductive.

7. Strategies for promoting attendance

Secondary:

To support high levels of attendance, the school will continually monitor and act to improve attendance. This will follow a staged approach as outlined below. Attendance data will be analysed on a fortnightly cycle by the relevant pastoral and to identify trends in key groups, including vulnerable pupils, year groups and individual pupils. Following thorough data analysis, the following staged approach will be followed:

Stage 0 - Stage 0 refers to the approaches taken to promote high attendance for all pupils across school. Please see actions below:

- *Continued monitoring of attendance to identify and intervene with attendance concerns early.*
- *Parents/ carers of all absent pupils, without reason provided, will be contacted by the school's Attendance Officer to ascertain reason for their absence on their first day of absence.*
- *Pupils with a second day of absence without valid and accepted reason will be contacted again by the attendance team.*
- *On a pupils third day of absence without valid and accepted reason, a welfare check will be conducted at the home address.*
- *Weekly recording of pupil attendance in planners, during registration.*
- *Clear displays near Pastoral offices showing weekly attendance.*
- *Assemblies and tutor activities highlighting the importance of attendance and punctuality.*

- Rewarding high levels of attendance in the following ways:
 - Here today, here tomorrow competitions
 - House Points/Reward Stamps
 - Form Prizes/Awards

Malet Lambert will recognise the achievement of pupils and groups of pupils with high attendance through the use of displays on the school site and communication home to parents/carers in addition to example rewards above.

Stage 1 - *Where a pupil's attendance falls below 92% this will be investigated by the inclusion team. If there are unauthorised absences, the parent/carer and pupil will be issued with a Stage 1 Attendance Letter informing them that attendance will be monitored for improvement over a period of between two and six weeks (depending upon the situation). Where there are no unauthorised absences, this will be monitored for improvement internally for a period of two to six weeks (depending upon the situation). If attendance does not improve over this period, parents/carers will be issued with a Stage 1 Attendance Letter, as above. If the attendance of the student improves over the agreed period, they will no longer be monitored under this stage and will return to Stage 0.*

Stage 2 - *If the attendance of the student does not improve sufficiently over the agreed period, the parents/carer and student will be issued with a Stage 2 Attendance Letter, informing them that their attendance has not improved and offering further support from the student's Head of House. Malet Lambert will use the ATTEND framework to work with families to explore reasons for absence and to work together to improve attendance. This will be monitored for improvement for a further two to six weeks (depending upon the situation). If the attendance of the student improves over the agreed period, they will no longer be monitored under this stage and will return to Stage 0. If at any point the student's attendance returns to a level below 90% the school retains the right to restart them at the stage of the process that they were previously on, rather than restarting at Stage 1.*

Stage 3 – *If the attendance of the student does not improve sufficiently over the agreed period, the parents/carer and student will be issued with a Stage 3 Attendance Letter and be invited into school to meet with the EWO to agree an Attendance Action Plan. This will be monitored for improvement for a further two to six weeks (depending upon the situation). If the attendance of the student improves over the agreed period, they will no longer be monitored under this stage and will return to Stage 0. If at any point the student's attendance returns to a level below 90% the school retains the right to restart them at the stage of the process that they were previously on, rather than restarting at Stage 1.*

Stage 4 - *If there is no response from the parent to the Attendance Action Plan meeting or if the attendance of the student does not improve sufficiently over the agreed period, the parents/carer and student will be issued with a Stage 4 Attendance Letter. This will invite them to an attendance panel meeting where progress and next step action will be explored. Where a student is on Stage 3 or Stage 4 of the above at the end of an academic year and has not improved their attendance to above 92%, they will remain on that stage at the start of the next academic year to allow for immediate action if attendance concerns persist.*

8. Attendance monitoring

8.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil/level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the local governing body

If any school has a link governor for attendance then add the details of their role in monitoring pupil/student attendance here.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to form tutors, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils/students who the school considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Severely absent pupils will be discussed and interventions actioned on a fortnightly basis.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum yearly by the Keri Pearson. At every review, the policy will be approved by the full local governing body
