Curriculum Overview

Plus Points

This is for both pupils and parents information, giving you lots of time to react to this information.

The Plus Points pupils have earned this year will NOT be carried over to next academic year, so if you are in year 7, they will NOT carry over to year 8.

This means that each pupil will need to have redeemed their points before we break up for the summer holidays. Please do not leave it until the last week of school term as we may not have time to get or have your reward in stock.

Summer MaletFest Rewards Day

This years MaletFest rewards day on the school field is booked for Wednesday 28th June. Pupils have had an update every two weeks during the last term letting them know if they are on track to qualify for the rewards day.

Can parents please speak to their child regarding their eligibility. Pupils must have on average no more than 4 behaviour points per week and no more than an average of 1 unauthorised absence per fortnight.

Authorised illness does not count against your child's eligibility for this event.

Please speak to the attendance team if you need to submit medical evidence for your child's absence.

Year 11

Lunch Funds

As a reminder, the school kitchen will not supply food to any year 11 pupils if there is no money on their account or money is owed. Therefore please ensure that you send your child with a packed lunch.

Safe Cycling

As the weather gets better, more so than ever before we see our pupils riding their bikes to and from school. There are clearly many physical and mental health benefits to be derived from this so we absolutely encourage it, but please help us to remind our pupils of the importance of staying safe by;

- Wearing a helmet - some of our pupils certainly do this but not all
- Keeping fully focused on the riding at all times - not being on a mobile phone at the same time for example
- Staying in tune with all of the noises of the road rather than listening to music or making calls on a mobile phone
- Checking roads before pulling out onto them
- Keeping both hands on the handle bars
- Keeping both wheels firmly on the road or path - not "pulling wheelies"

As an aside we remind parents that we provide a place for bikes to be stored and we encourage the use of bike locks, but ultimately the responsibility of the bike remains that of the pupils at all times. The school is not insured for or liable in any way for any loss or damage.

Pupils are reminded that they should be walking with their bikes into school from the gates and not riding them.
