HOMEWORK FOCUS

Homework plays an important role in supporting and extending classroom learning. It helps pupils to develop independence, self-discipline, time-management skills, and a deeper understanding of the topics they are learning in school. Regular completion of homework is closely linked to improved progress, and it gives pupils the opportunity to review and consolidate what they have learned in class.

To help support parents and carers in keeping up to date with the homework set for your child, we will now be sharing homework information via the Arbor App. We encourage all parents and carers to regularly check the app so you can support your child in staying on top of their homework. Pupils are also expected to record all homework in their planners, which should be checked and used as an additional point of reference.

HELP AVAILABLE - GAS & ELECTRIC

Unity in Community will be providing vouchers to help towards paying for gas and electricity. To qualify you must pay for your energy through a prepayment meter and have not received energy vouchers from Unity in Community within the past 12 months. This is in response to the ongoing cost of living crisis and beneficiaries can be working, unemployed, self-employed or retired. For more information and to register, call 01482 420836, Monday to Thursday 9am to 3pm & Friday 9am to 2.00pm – if busy, please keep trying.

PARKING REGULATIONS

We would like to remind everyone about the importance of adhering to parking regulations during drop-off and pick-up times at Malet Lambert School.

To ensure the safety of all our pupils, please avoid parking near the front of the school and refrain from parking on the zig-zag lines near the zebra crossing. These measures are in place to maintain clear visibility and safe passage for our children. Please be aware that although

we have staff on duty at the end of each day, we have been told by the local authority that we are not allowed to manage the crossing in any way.

Your cooperation is greatly appreciated in helping us maintain a safe environment for everyone. Thank you for your understanding and support.

SAFEGUARDING CORNER

ONLINE SAFETY

The online world is clearly well established and very much here to stay. We teach our pupils about the countless benefits whether through PSHE, IT or through informal tutor time discussions. But we clearly have a major role in pointing out the potential pitfalls and dangers that require them all to be up to speed with how to stay safe online.

The online world is an area of life where it can sometimes feel that our children are streets ahead of us adults and so it's important to share resources and be open and honest.

The NSPCC has produced a wide range of excellent resources to keep us all up to speed and help us to approach the monitoring of the online activity of our young people.

Please feel free to browse the NSPCC resources on the link below.

If you ever want to chat through any of this with the school as a different voice on things, please do get in touch anytime.

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our Arbor record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the  [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY DRINKS AND ENERGY DRINKS/SWEETS

Please be reminded that pupils are not permitted to bring energy drinks or sweets and fizzy drinks into school. Any pupils found with any types of these drinks/sweets will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.

For full details of how pupil data is used please see our Privacy Notice here: <https://maletlambert.co.uk/privacy-notices/>

MEDICAL CONSENTS

In an effort to try and reduce the amount of paper, we ask for 'once only' medical consent which will cover your child throughout their time at Malet Lambert. If you haven't already returned a signed form, you will receive an email asking for this.

The school should have up to date medical details at all times, we wouldn't expect a parent/carer to only update us if their child is going on a visit, so with this in mind can you please ensure that you are informing us of any changes to your child's medical records immediately, this can be done in the following ways:

Change to Pupil Details Form

These can be collected from the admin office or downloaded from our website <https://maletlambert.co.uk/letters/>. Completed forms must be returned to the admin office.

Email

You can email enquiries@maletlambert.hull.sch.uk or arbor@maletlambert.hull.sch.uk - please note that the email must come from the email address we have registered for you in Arbor.

BIOMETRIC CONSENT

As a school we use biometric finger scan technology for example in the dining halls. This data is held securely and further information can be found in the TEAL Data Protection Policy. Consent can be withdrawn at any time by writing to us at enquiries@maletlambert.hull.sch.uk

FREE SCHOOL MEAL ENTITLEMENT

Families who receive certain benefits may be eligible for free school meals, regardless of the child's age. Registering for free meals could also raise additional funds for your child's school, to fund valuable support like extra tuition, additional teaching staff or after school activities. This additional money is known as the 'Pupil Premium Grant'.

To find out if your child is eligible the benefits team at your Local Authority can process your claim by telephone or alternatively you can complete the online form at <https://www.gov.uk/apply-free-school-meals>. If your child is eligible you will receive a confirmation letter from your Local Authority within 10 days. Upon receipt of this letter please do notify the school.

SCHOOL POLICIES

Malet Lambert School policies can be found in full on our website <https://maletlambert.co.uk/policies/>. These are adopted by the Governing Body and must be adhered to.

Paper copies are available from the school on request.
