Parents, carers and young people can expect an interactive event organised by the Hull and East Yorkshire (HEYLEP) Careers Hub and led by two leading logistics businesses Wincanton and Kuehne+Nagel, who have offices in the local area, with the support of Generation Logistics.

Uniform Checks - First Week Back

In the first week back, on different days and at different points of the day we will focus on checking that pupils in year 7 to 10 are meeting uniform expectations with an initial focus on footwear, piercings, blazers, rings and ties.

Pupils who are found to be breaching the policy will be asked to correct the issue, but there will also be same day 30 minute after school detentions with the SLT. Persistent breaches across the week will lead to escalated sanctions.

Whilst the full policy is on the school website in the policies section, please remember:

Footwear - should be plain black shoes - no trainers are allowed, except for genuine medical conditions evidenced by an official medical letter

Piercings - one pair of small ear studs is allowed. Nose piercings and other facial piercings are not allowed

Blazers - must be brought to school and worn unless pupils are told otherwise. We are always sensible regarding the weather conditions

Rings - are not allowed to be worn

Ties - a House tie must be worn at all times

As you start to receive more information about school uniform for the academic year 2023-24, please can we discourage families at this stage from buying any items of uniform, particularly skirts and trousers. We are just concluding some pupil voice in this regard and there may be some new options for September, however this is not yet confirmed. We will pass on more information as soon as we have it to hand.

We are holding a parents' uniform consultation meeting on Tuesday 6th June at 5:30pm, which will give the opportunity for parents and carers to talk to SLT about all aspects of our current uniform and potential plans for the future, including feedback on pupil voice with particular reference to skirts and a possible optional change for September. To book your place, please call reception to be added to the list.

We always pride ourselves on working with parents and this includes the loaning of uniform items. Please click here if you require any type of uniform assistance or support.

Safeguarding Corner

Dangers of Vaping

In October 2022 we shared some information about the rising number of school aged children who are vaping.

This week the concerns around vaping were once again in the national news, highlighting their dangers on multiple levels.

A BBC article claims that "*children using them could be inhaling more than twice the daily safe amount of lead, and nine times the safe amount of nickel*" whilst "*some vapes also contained harmful chemicals like those in cigarette smoke*".

Please take a minute to read this BBC article and discuss this with your child or children;
