LET'S TALK!

Being the parent or carer of a child or young person struggling to attend school can be difficult. Visit the Education Welfare Team at one of the following drop-in sessions and find out what help is available.

Monday 20th January 10:30-12:30 noon
Kingston Youth Centre, HU3 1YE

Friday 24th January 13:00-15:30
The Parks Family Hub HU6 9TA

Thursday 13th March 9:30-12:00noon
Acorns Family Hub HU9 4DB

There is no need to book, just turn up.

Period Equality

[Period Equality form](#)

Research from the PHS group found the following among teenagers nationally

- 25% said they had to make do without period products during their period
- 1 in 9 said they have missed school or college because they could not afford period products

Many pupils are very open about asking us when they require products, however, we are aware many do not feel comfortable. This is something we are working to change and reduce the stigma around periods. Where they don't feel comfortable asking a member of staff in school, you can complete this form and we will organise for you to receive them.

As we do not know what the demand will be, therefore we are limiting to 4 items per pupil based on estimated demand and stock. This may be reviewed, and we will communicate again if this changes. We also cannot guarantee stock and therefore will distribute initially by first come first served basis. We always have stock in school should a pupil require any in an emergency.

If you would like two of the same product, select two, and if you would like two different products, select 1 pack of each. We are limited with the range of products we have, therefore the ones listed are the only ones available.

Please complete the following form if you require any products. There is a question at the end of the survey with different options on how we will get these to you. If you have any questions, please get in touch with our Assistant Headteacher Miss Pearson - keri.pearson@maletlambert.hull.sch.uk

Please complete the following form by the 31st January 2025. All responses will be kept confidential and the information collated will not be used for any other purpose.

Donations of wellington boots or walking boots

We are holding our first Year 7 outdoor activity residential this year, and pupils are required to have walking boots and wellington boots.

If you have any in a good condition that you would be willing to donate between sizes 4 and 10, please could you contact Miss Pearson, Mr Robinson or Mrs Winsor or alternatively drop off at reception.

E-Scooters

This week we are focusing on the legalities, issues and dangers around e-scooters. It is estimated that there are now 750,000 e-scooters in use in the UK with the majority being used illegally.

Currently, electric scooters can only be used on private land with the landowner's permission. It is effectively illegal to use them on public roads, on pavements, in cycle lanes and in pedestrian areas.

E-scooters can achieve relatively high speeds of up to 30 mph which can result in significant injuries and even fatalities especially where collisions occur and helmets have not been worn.

Pupils should never be coming to school on an e-scooter for the reasons outlined above. Quite apart from all the issues of safety and legality, these are expensive items for which the school is not responsible in any way in the event of loss or damage. As always please get in touch if you have any specific questions or queries.

Year 11 Information

Year 11 College/Apprenticeship Applications

Pupils should have either submitted applications for their preferred college/apprenticeship courses, or be on their way to doing so this month. Deadlines for some providers, such as Wyke, HETA and CATCH, are looming this term, so please encourage pupils to work on those applications now if they have yet to send anything.

Over the last term at school, pupils have had assemblies from local training providers, Log On Move On sessions in PSHE, one-to-one support from careers advisors (if requested) and opportunities to attend our KS4 Information Evening/Careers Fair, plus external providers have held their own open events for parents and pupils to attend.

If your child feels they need further support, please ask them to talk to their tutor to email me to book an appointment with a careers advisor. In this appointment, they can explore careers ideas and course opportunities. If you would like any additional advice or information, you can email me on laura.powell@maletlambert.hull.sch.uk.

New Year 11 Date Added

SAFEGUARDING CORNER

We just wanted to reiterate the information which was sent in the last Newsletter.

Mobile Phones

We all agree and accept that there are countless benefits derived from mobile phones. Most of us have one and rely on it including most teachers and other professionals in schools. However, it can be helpful to take a step back every so often and consider the negatives of mobile phones including impact on mental health. Some recommended viewing for parents and/or children is a recent channel 4 program all about an experiment removing phones from pupils. It has received much interest and may be useful viewing over the festive period.

THINGS TO REMEMBER

COLLECTING PUPILS FROM SCHOOL

If you are collecting your child from school, for whatever reason, you must bring ID, if someone else is collecting your child on your behalf, they must also bring ID and must be an emergency contact on our SIMS record.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.

WORK EXPERIENCE

Please remember that there is a deadline of 17th March 2025 to return your completed Work Experience Self-Found Placement form. As a reminder, this is not a school deadline, it is an E2W deadline and will not be extended under any circumstances, so do not delay with organising a placement. The self-found placement form can be found here:  [Letters](#)

MALET LAMBERT SHOP

If you wish to purchase a pupil planner or revision guides please remember these are available via the  [Malet Lambert Shop](#) and not your individual ParentPay account.

FIZZY AND ENERGY DRINKS

Please be reminded that pupils are not permitted to bring Energy and fizzy drinks into school, this now also includes the new PRIME drink. Any pupils found with any types of these drinks will have them confiscated and disposed of.

LUNCHTIME

You must ensure that your children have money in their ParentPay accounts to pay for their lunch each day.

YOUTH SUPPORT SERVICES – PUPILS AGED 13+

Once our pupils reach Year 9, we pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996. This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or carer can object to any information in addition to their child's name, address and date of birth being passed to their local authority or provider of youth support services by informing us via email to

enquiries@maletlambert.hull.sch.uk. This right is transferred to the child / pupil once they reach the age 16. Data is securely transferred to the youth support service via encrypted email and is stored electronically and held for in accordance with the local authorities retention schedule.

For full details of how pupil data is used please see our Privacy Notice here:
