WHOLE SCHOOL INFORMATION

Red Nose Day - Friday 15th March 2024

As a school we will be marking this day and raising money in a variety of ways.

We will balance the drive to raise money against the wish to minimise impact for our families and young people whether in financial or organisational terms.

So what are we saying and doing?

Pupils to come in the normal full uniform please

Pupils to consider a temporary red accessory such as red socks, a hair band or one of the famous red noses.

Pupils and parents are reminded that they can donate in a number of ways including through the official comic relief website

<https://donation.comicrelief.com/cart/1YsYOwm2pHZgBUhWr8ZL13>

Across lunch time on that day, we will also run a number of different games and activities in the forum area which will be 50 pence per go and will give pupils the chance to win a range of chocolate and sweets. Those wishing to take part are encouraged to bring no more than £1 as two fifty pence pieces to keep things flowing quickly.

Reception - Monday 11th March 2024, Early Closure

Please note that reception will be closing at 4pm on Monday to allow for staff training.

Very positive pupil response to assemblies

Last week we explained that we had conducted assemblies for all year groups around our high standards. We were open and honest with the pupils as we always are and emphasised just how often the overwhelming majority do the right thing day in day out. We were equally clear that following instructions and expectations at the first time of asking is an important part of school life.

We have been very impressed by the excellent pupil response to that messaging in our assembly this week.

We are very proud of our pupils and we are thankful for our high levels of parental support

YEAR 10 INFORMATION

Work Experience

Please remember that there is a deadline of 15th March 2024 to return your completed Work Experience Self-Found Placement form. As a reminder, this is not a school deadline, it is an E2W deadline and will not be extended under any circumstances, so do not delay with organising a placement. The self-found placement form can be found here: [Self Found Placement Form 23-24](#)

SAFEGUARDING CORNER

E-Scooters

This week in Safeguarding Corner we are focusing on the legalities, issues and dangers around e-scooters

It is estimated that there are now 750,000 e-scooters in use in the UK with the majority being used illegally.

Currently, electric scooters can only be used on private land with the landowner's permission. It is effectively illegal to use them on public roads, on pavements, in cycle lanes and in pedestrian areas.

E-scooters can achieve relatively high speeds of up to 30 mph which can result in significant injuries and even fatalities especially where collisions occur and helmets have not been worn.

Pupils should never be coming to school on an e-scooter for the reasons outlined above. Quite apart from all the issues of safety and legality, these are expensive items for which the school is not responsible in any way in the event of loss or damage.

As always please get in touch if you have any specific questions or queries.

PARENTS/CARERS VISITING THE SCHOOL

As you are aware we are a very large secondary school and staff time is always taken up with appointments and duties. If you do need a face to face appointment with any member of staff, you will need to book a pre-arranged appointment. Please contact the school to arrange this. Unfortunately, if you do decide to come to the school without an appointment, the time you will be waiting to see a member of staff cannot be determined.
